DREAM
We are an integral part of the whole that surrounds us
COSMOS

we are the fruit of the stars
MATTER

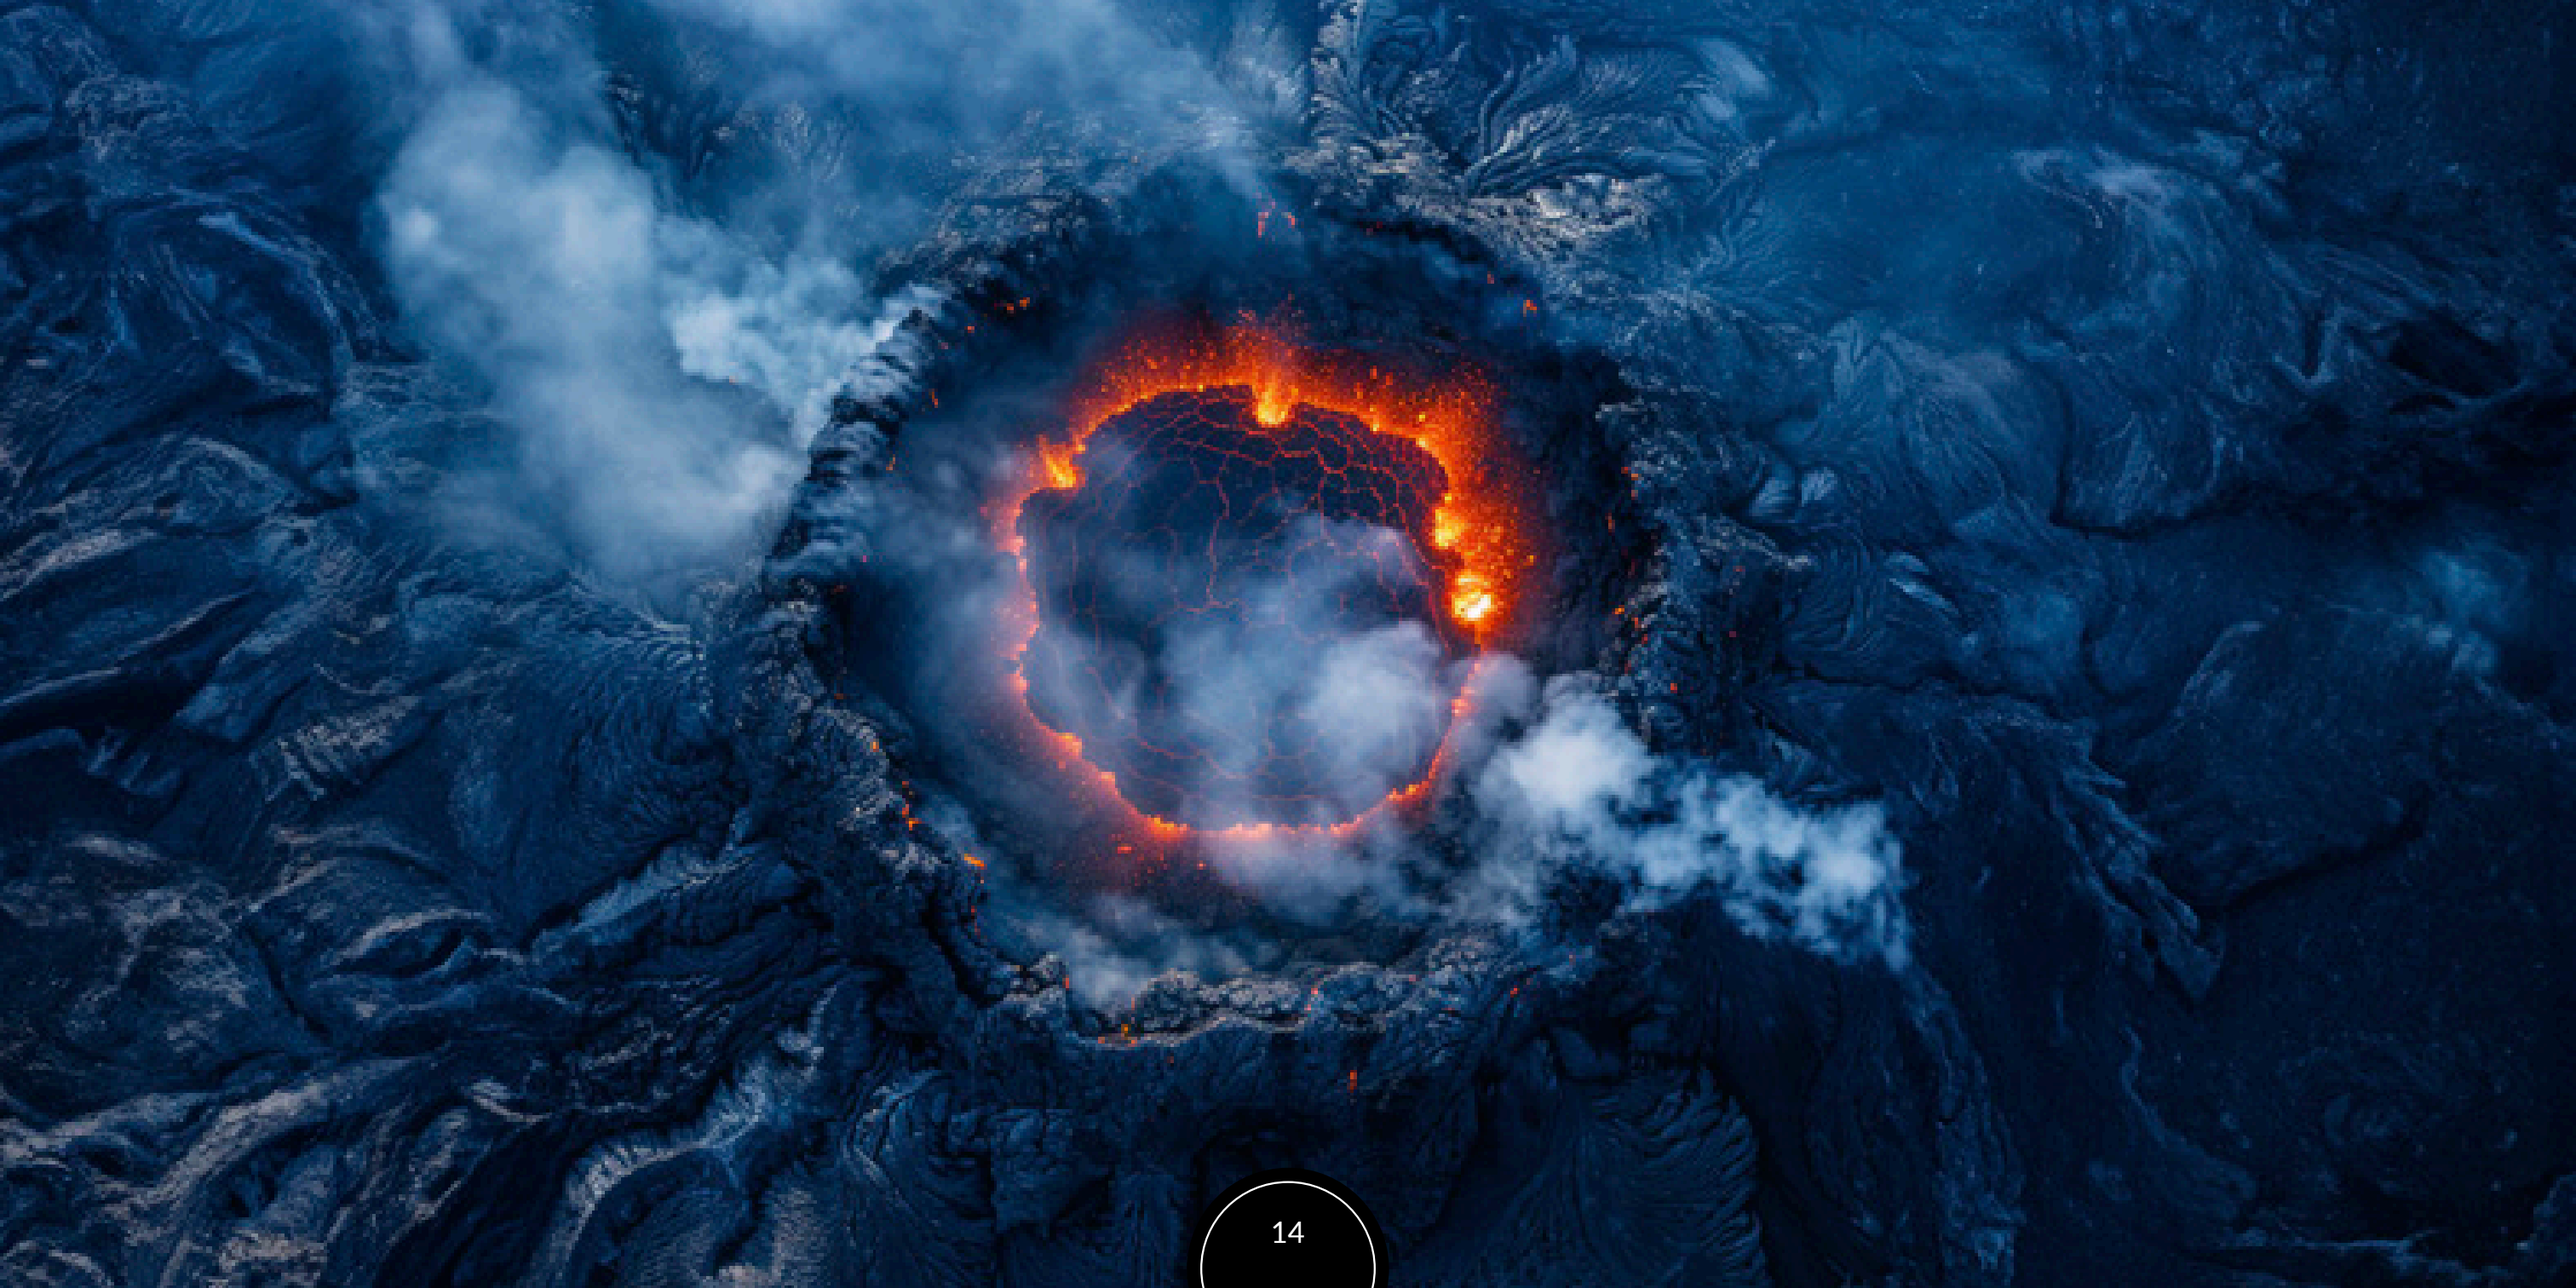

Inside the rock,
the scars
of creation rest

As if the material extracted
from the heart of a mountain
could whisper:

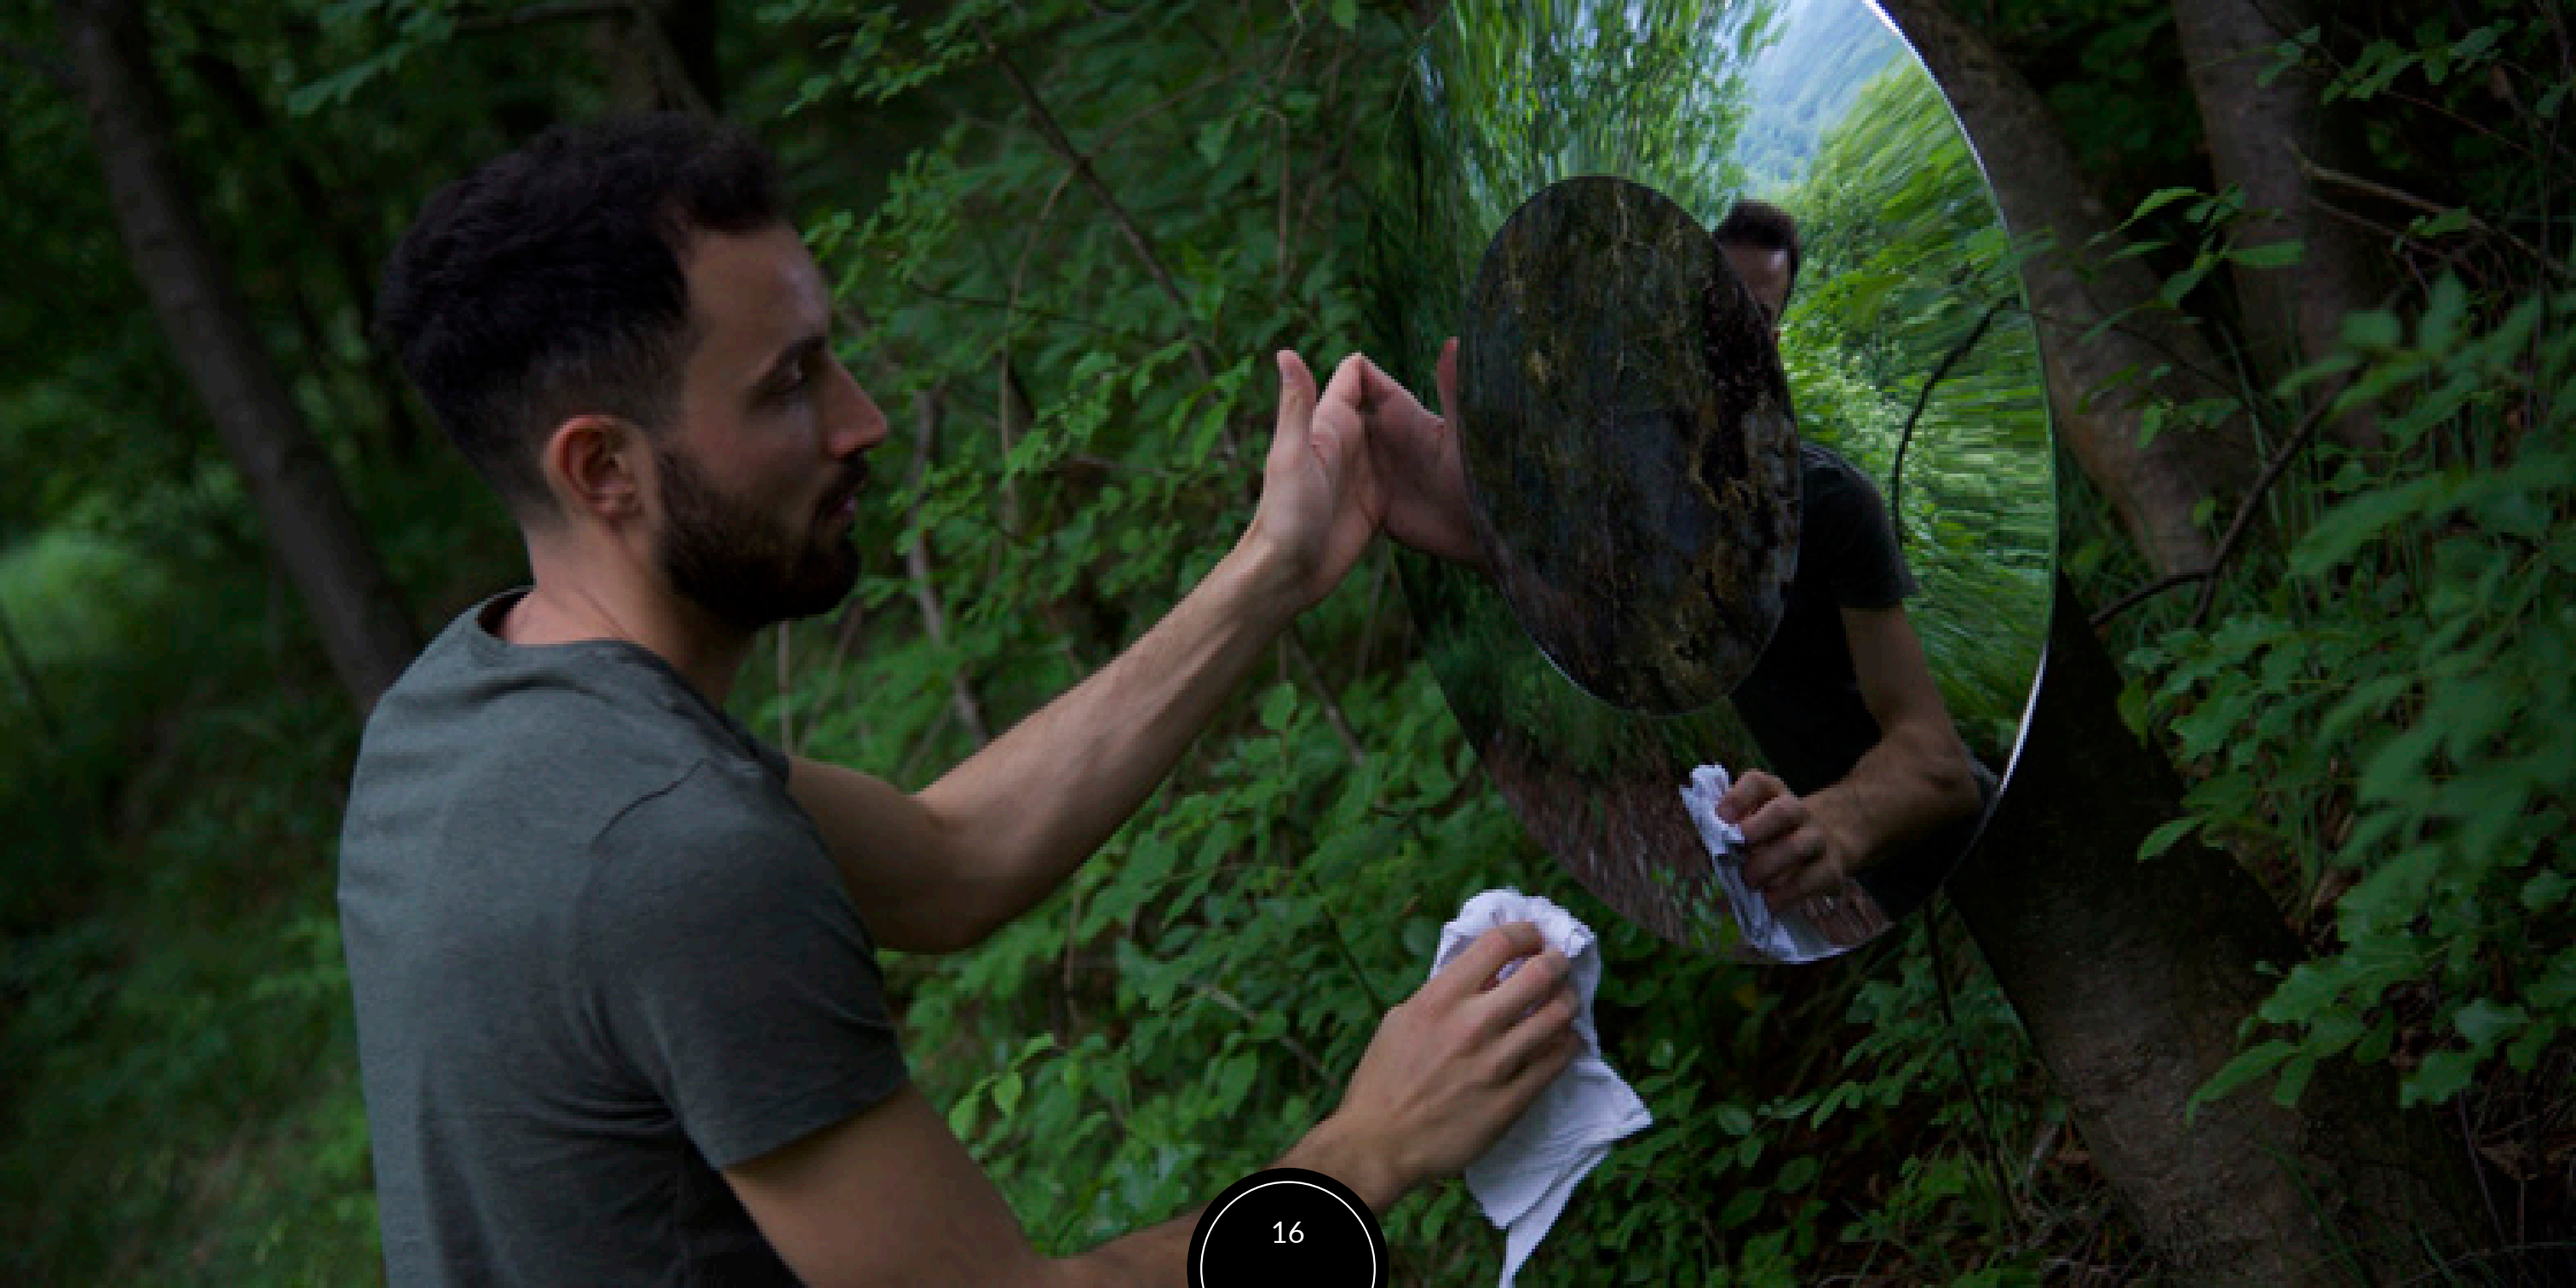

“**I am a planet...**“

This collection is developed from the following question: How can we enhance the material that **constitutes our vital support**, found at the heart of our mountains, where it meets **layers of eternity**?

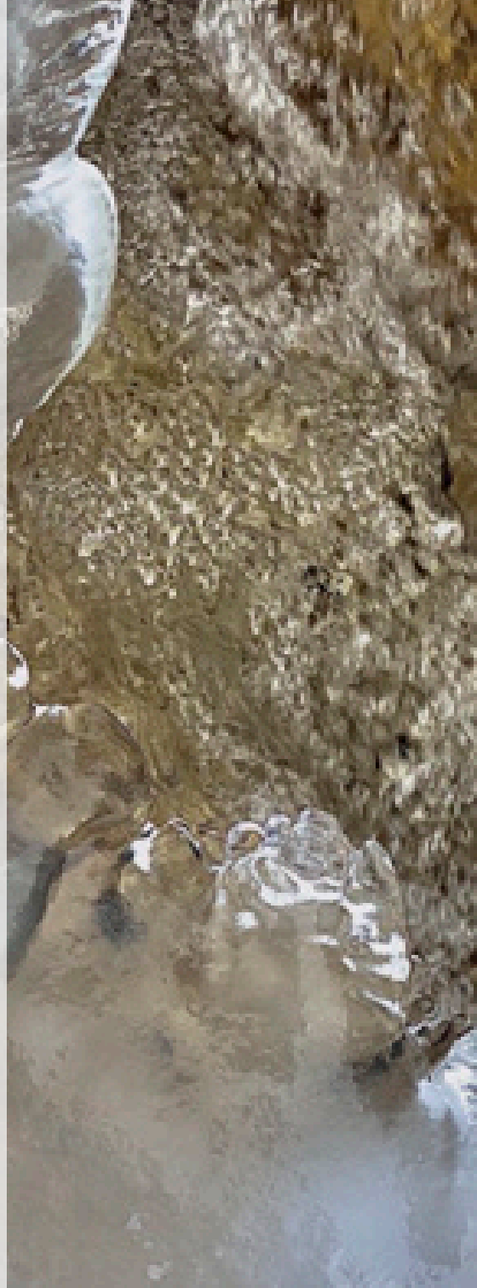

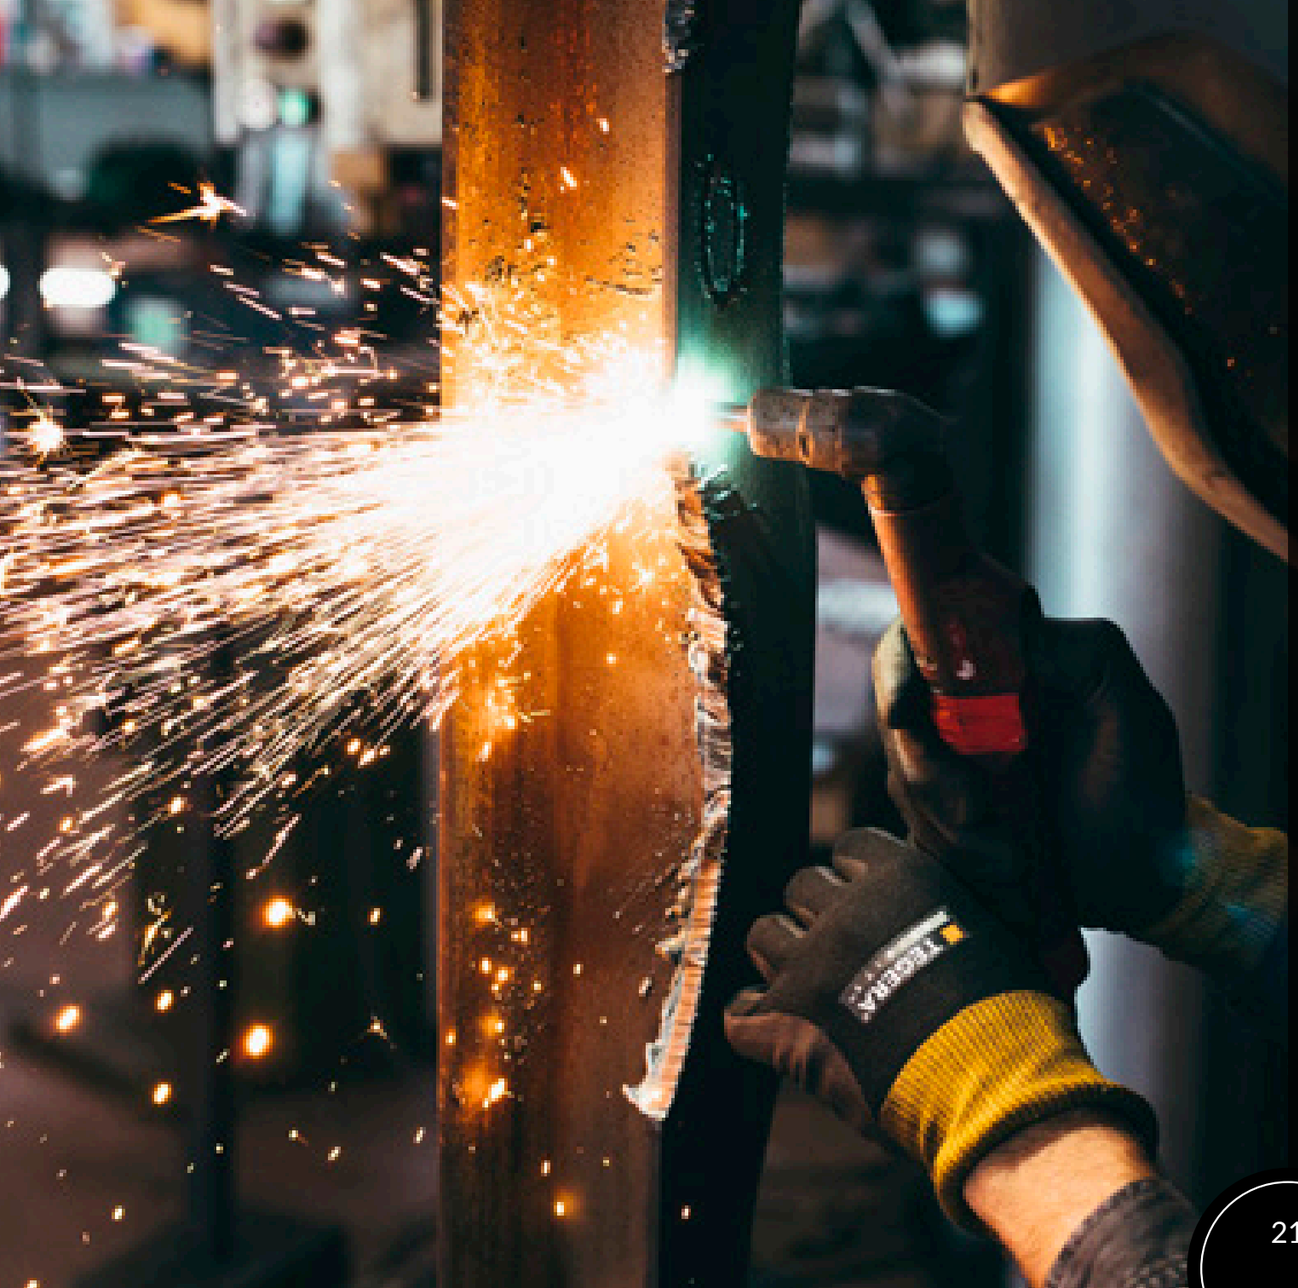

Mission

Our mission is to transform our **passion** for art into extraordinary works with unwavering **determination** and impeccable attention to detail.

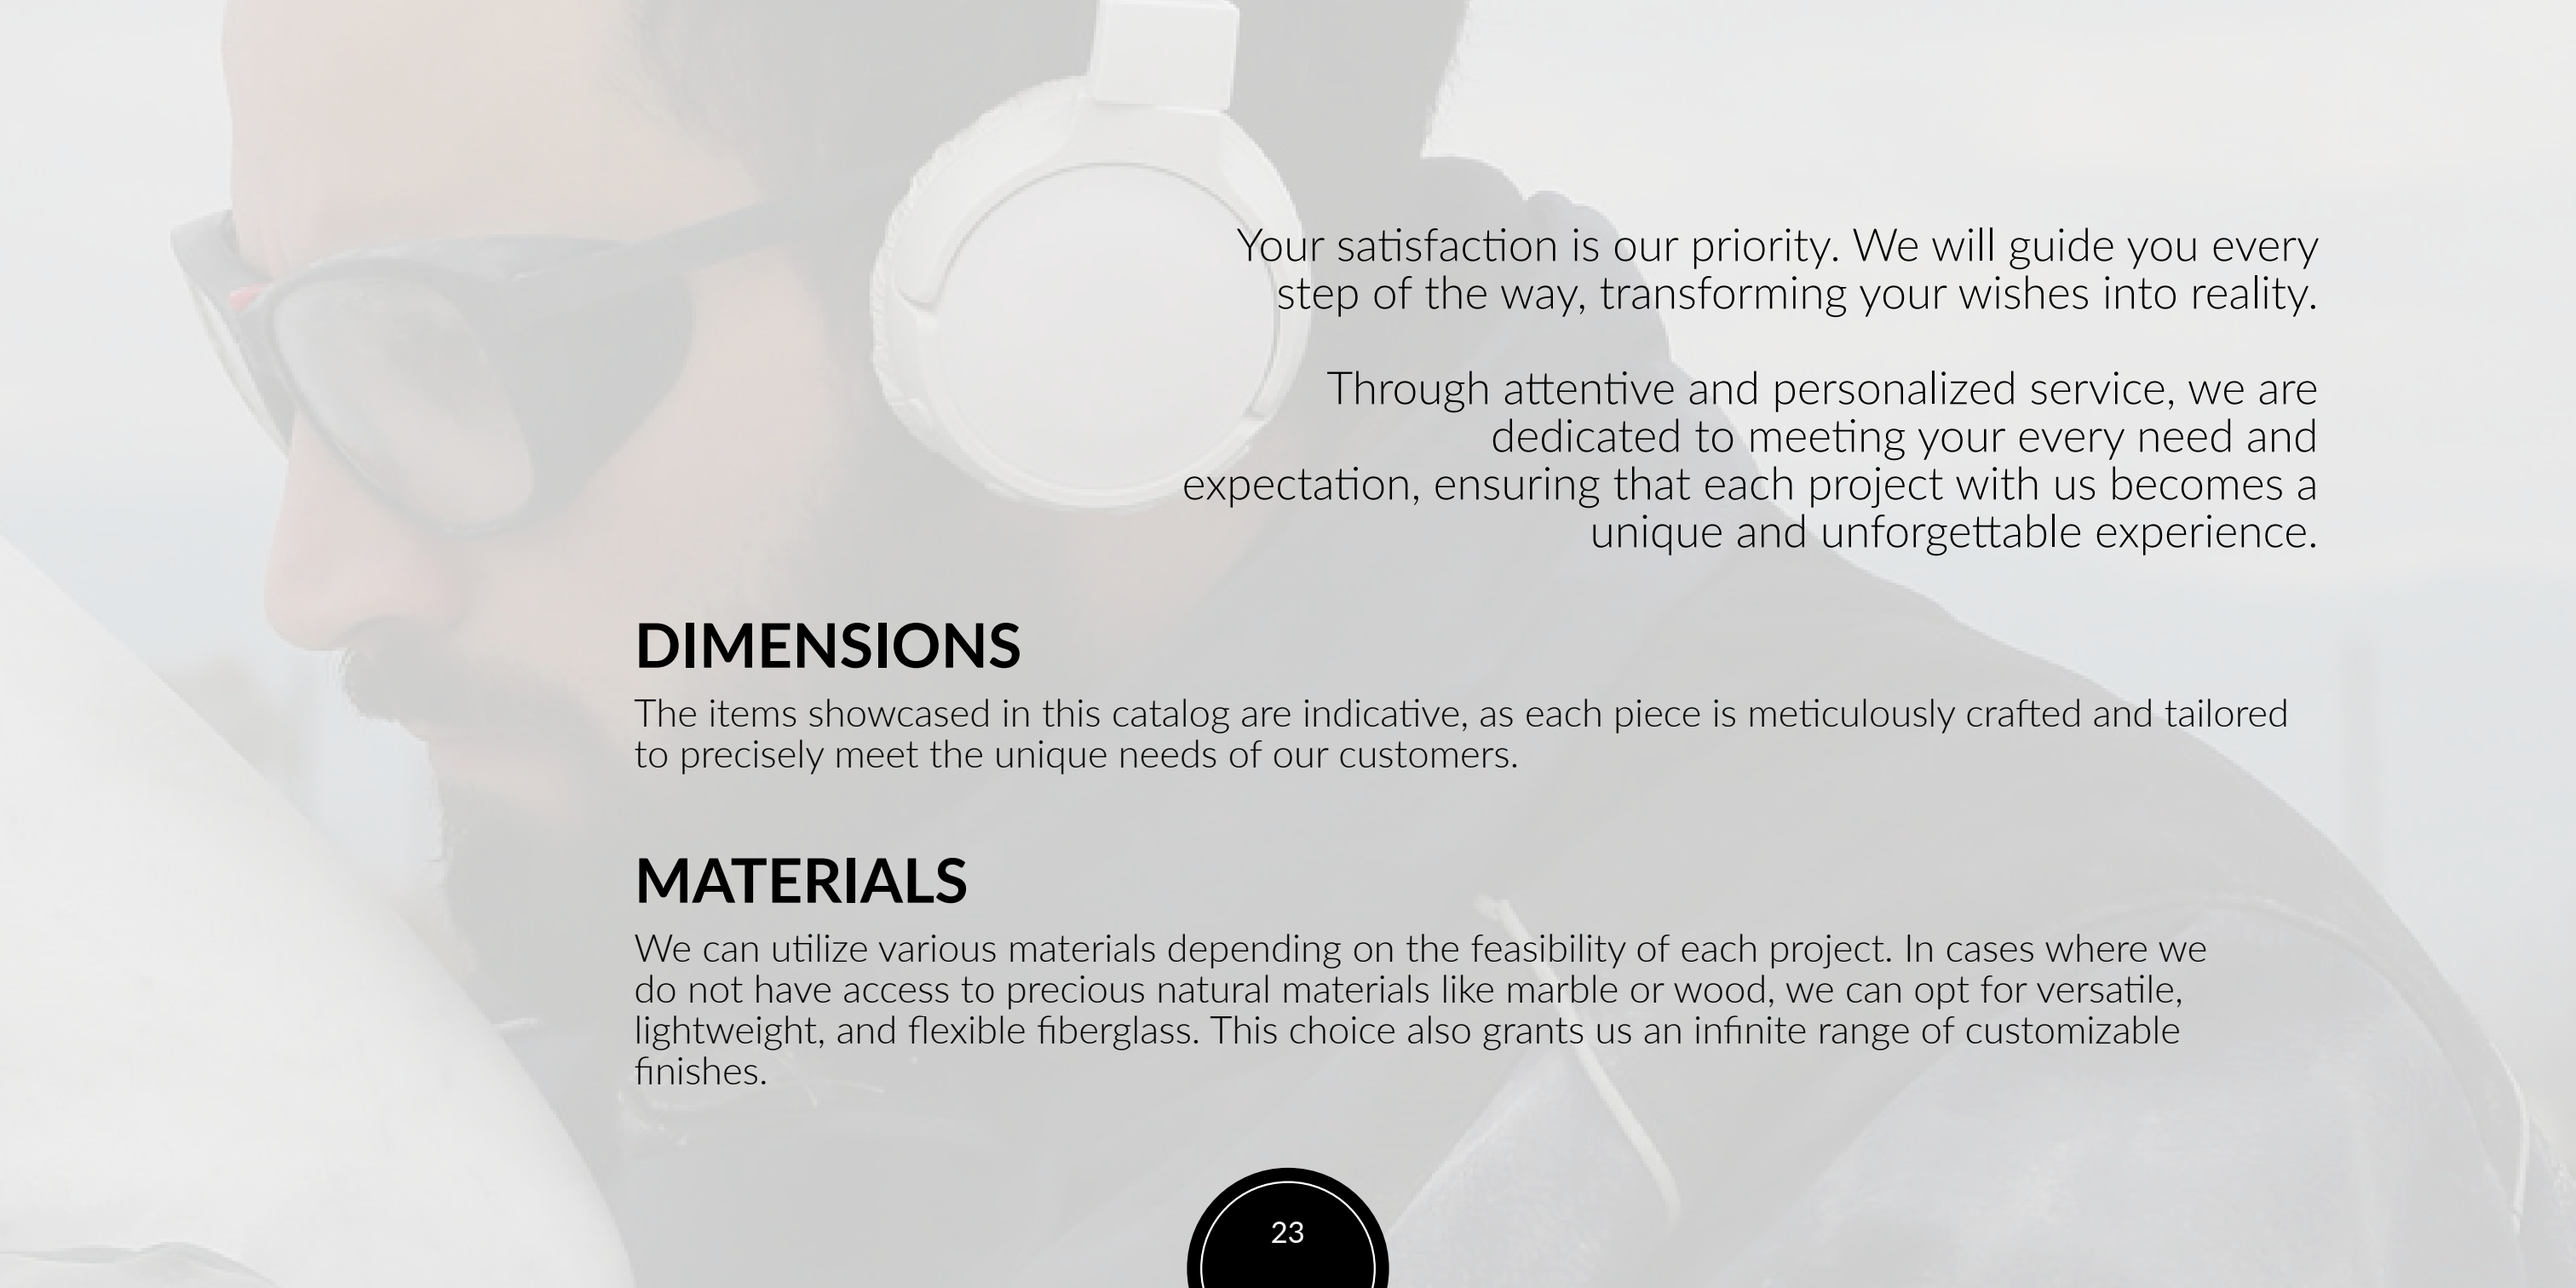

Vision

We are here to introduce **innovation**, **inspiration**, and vision transforming challenges into opportunities and guiding our team toward success. Our goal is to create a **distinctive line** that defines our image in the market.

Which materials?

- MARBLE, GRANITE, AND MINERALS
- BLOWN AND THERMOFORMED GLASS
- WOOD
- BRONZE, BRASS, AND STEEL
- PRECIOUS METALS
- RESIN AND FIBERGLASS
- CLAY

Your satisfaction is our priority. We will guide you every step of the way, transforming your wishes into reality.

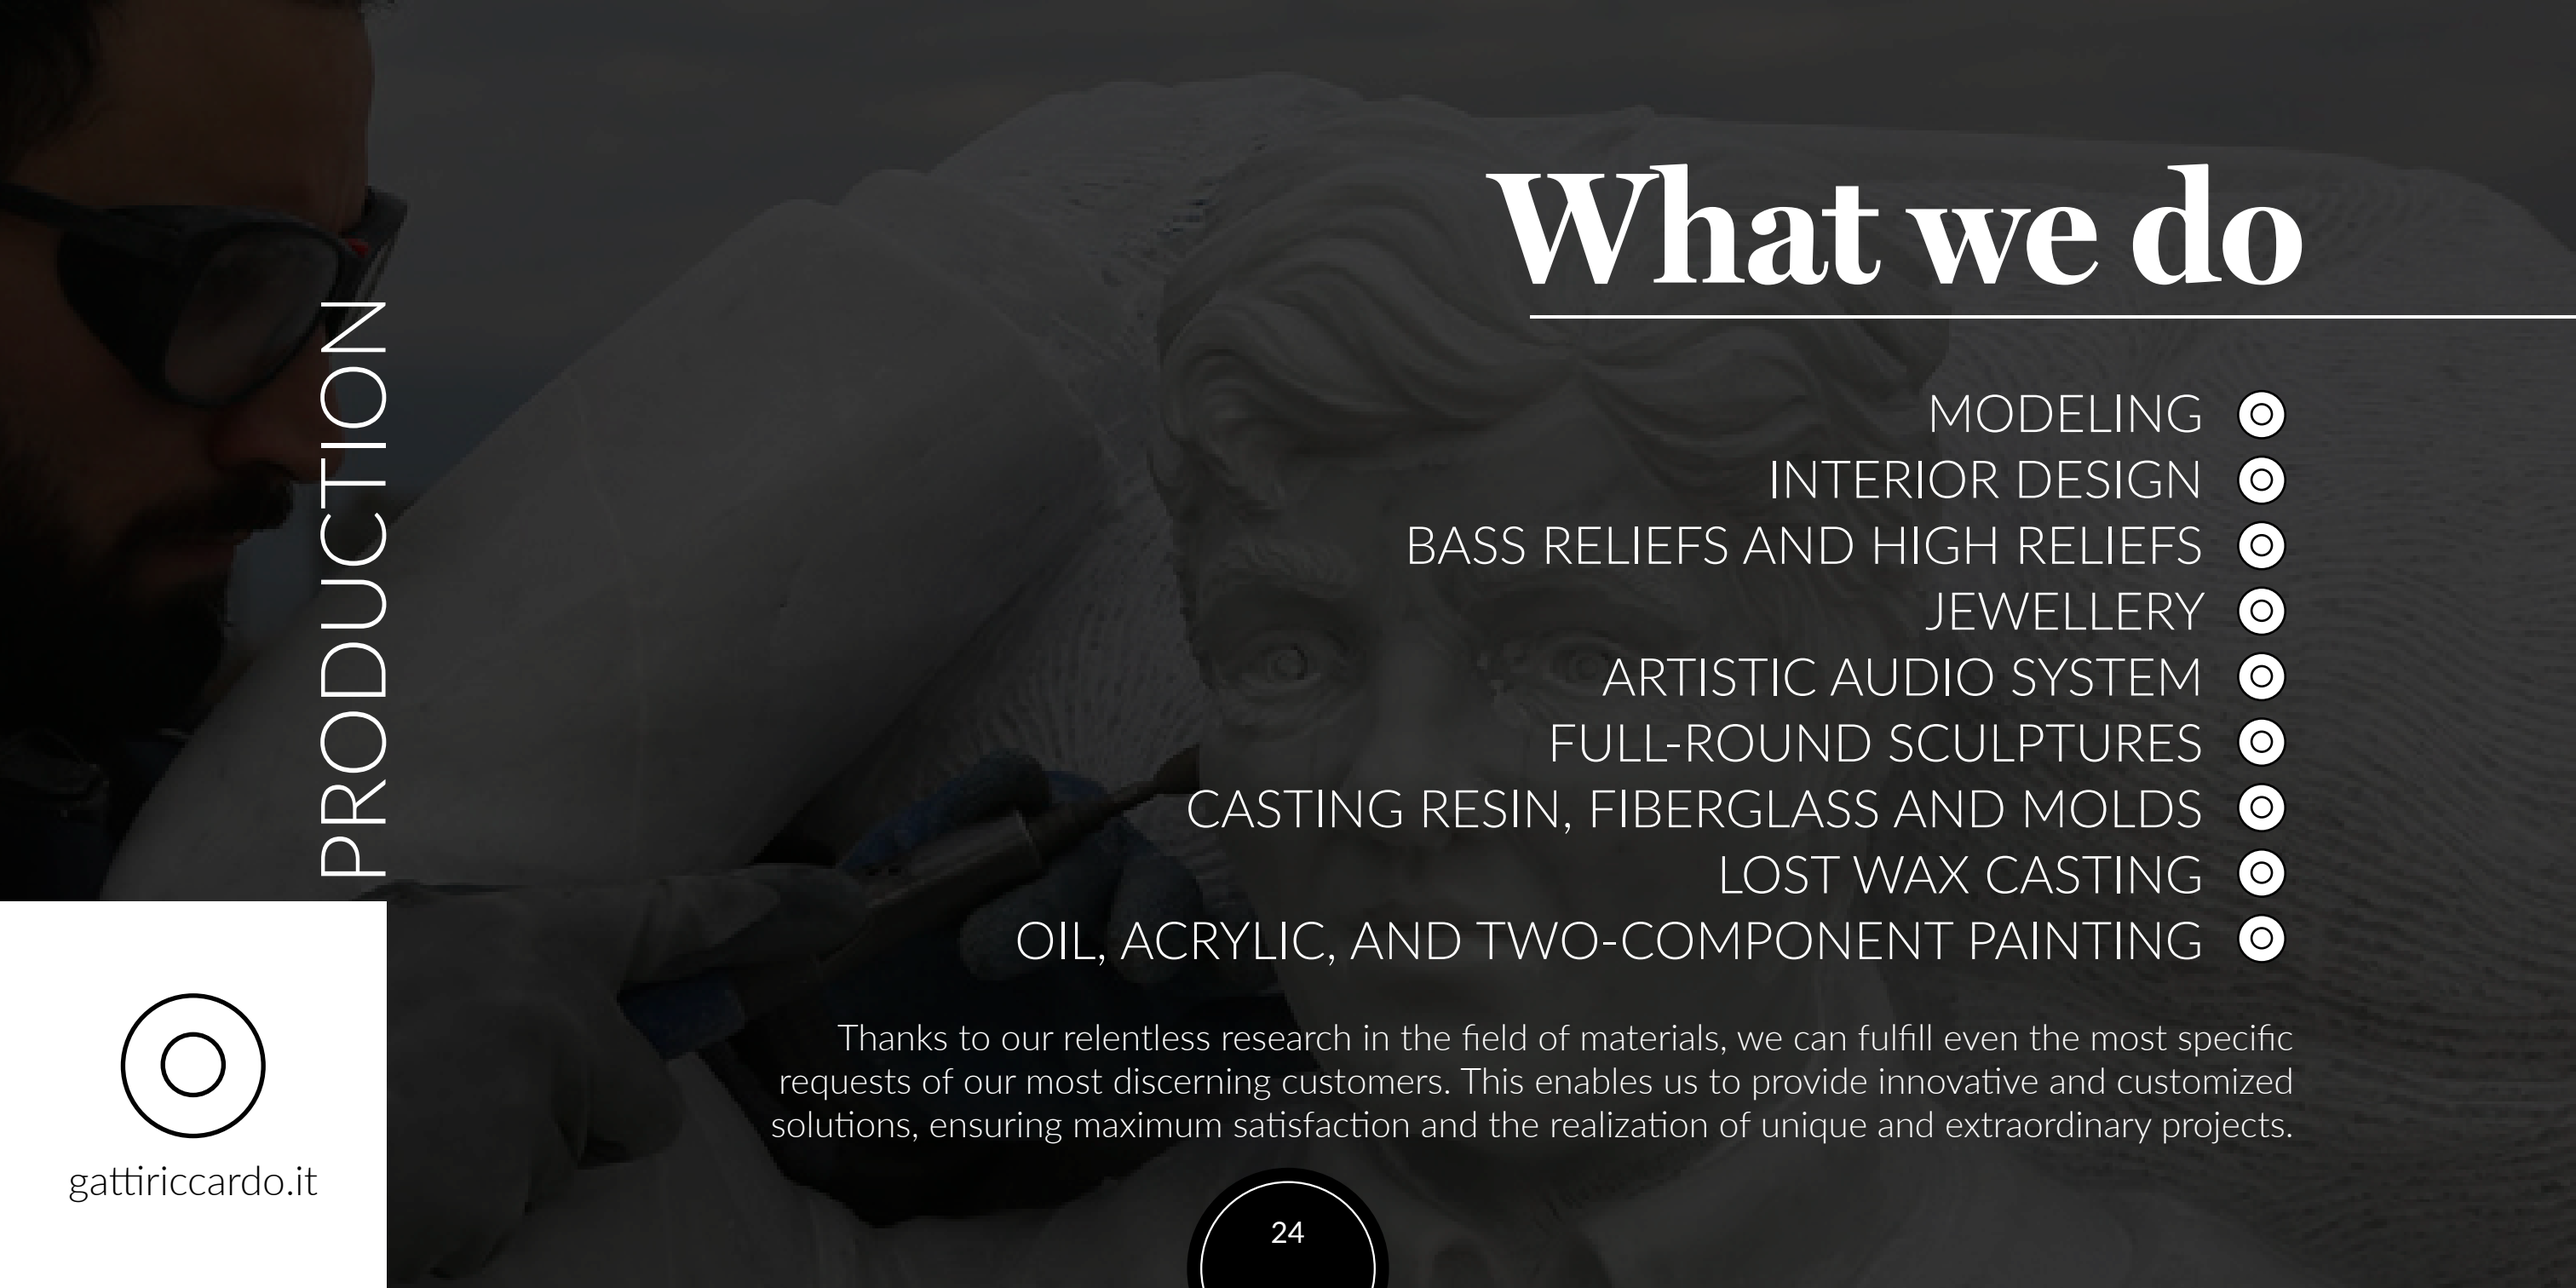

Through attentive and personalized service, we are dedicated to meeting your every need and expectation, ensuring that each project with us becomes a unique and unforgettable experience.

DIMENSIONS

The items showcased in this catalog are indicative, as each piece is meticulously crafted and tailored to precisely meet the unique needs of our customers.

MATERIALS

We can utilize various materials depending on the feasibility of each project. In cases where we do not have access to precious natural materials like marble or wood, we can opt for versatile, lightweight, and flexible fiberglass. This choice also grants us an infinite range of customizable finishes.

CRAFTSMANSHIP

The best Italian craftsmanship and artistic skills have been brought together, encompassing unique artistic works, prestigious finishes and meticulous attention to detail.

Biography

Riccardo Gatti, since his childhood, has shown a lively and rebellious personality against conventions, which has evolved into a **deep need to express himself** through an art capable of **transgressing and transcending norms**.

During his journey at the Academy of Fine Arts in Venice, he discovered the **inner richness that fuels art**, thus embracing a life dedicated to research and personal growth.

This **creative, vital, and continuous process** manifests as an innate expression of his **nature**, without a precise rational purpose, but as a **spontaneous flow of creativity**.
